

Full curriculum

List of courses offered per level

300 Level

1. Medical Bacteriology I
2. Medical Virology I
3. Medical Mycology
4. Medical Protozoology
5. Medical Entomology

400 Level 1st semester

6. Laboratory safety and specimen analytical methods
7. Medical Immunology
8. Medical microbiology Practical I
9. Medical Helminthology
10. Medical Bacteriology II

400 Level 2nd Semester

11. Medical Virology II
12. Medical Microbiology by organs system
13. Clinical Laboratory management
14. Management and Control of Infectious Diseases
15. Tropical Medicine and Infections
16. Medical Microbiology Practical II

Course codes, titles and units

S/No	COURSE CODE	COURSE TITLE	CREDIT UNITS
1	MMB 302	Medical Bacteriology I	3
2	MMB 304	Medical Virology I	3
3	MMB 306	Medical Mycology	2

4	MMB 308	Medical Protozoology	2
5	MMB 310	Medical Entomology	2
6	MMB 401	Laboratory safety and specimen analytical methods	1
7	MMB 403	Medical Immunology	2
8	MMB 405	Medical Microbiology Practical I	3
9	MMB 407	Medical Helminthology	2
10	MMB 409	Medical bacteriology II	3
11	MMB 402	Medical Virology II	2
12	MMB 404	Medical Microbiology by organs System	3
13	MMB 406	Clinical Laboratory Management	2
14	MMB 408	Management and Control of Infectious Diseases	2
15	MMB 410	Tropical Medicine and Infections	3
16	MMB 412	Medical Microbiology Practical II	3
